

	Why did Japan and Germany join, the Anti-Comintern Pact in 1936? What were its objectives?	
30	What steps were taken for the rights and interests of the natives in North America? What is their present position? OR Explain the role of Gold Rush in economic and political expansion of America.	8
Section – D 4×3=12 Marks (SOURCE BASED QUESTIONS)		
31	The Seal-An Urban Artefact In India, early stone seals were stamped. In Mesopotamia until the end of the first millennium BCE, cylindrical stone seals, pierced down the Centre, were fitted with a stick and rolled over wet clay so that a continuous picture was created. They were carved by very skilled craftsmen, and sometimes carry writing: the name of the owner, his god, his official position, etc. A seal could be rolled on clay covering the string knot of a cloth package or the mouth a pot, keeping the contents safe. When rolled on a letter written on a clay tablet, it became a mark of authenticity. So the seal was the mark of a city dweller's role in public life. Question: (i) Who carved the seals during Mesopotamian civilization? (ii) What do you see on each of the seals? (iii) What do the inscribed sign describe? (iv) Write the name of contemporary Indian civilization.	4 1 1 1 1

History Paper 1 November Grade11

History Paper 1 November Grade11:

Illinois History ,1974 *Resources in Education* ,2001-04 *Research in Education* ,1971 **The Chautauquan** ,1888 **History of Services of Gazetted Officers Attached to the N.W. Provinces and Oudh** North Western Provinces and Oudh. Accountant General's Office,1897 **Burnt by Democracy** Jacqueline Kennelly,2023-11-30 Burnt by Democracy traces the political ascendance of neoliberalism and its effects on youth The book explores democracy and citizenship as described in interviews with over forty young people ages 16 to 30 who have either experienced homelessness or identify as an activist living in five liberal democracies Canada Australia New Zealand the United States and the United Kingdom Highlighting significant cuts to social and affordable housing astronomical increases in the costs of higher education and the transformation and erosion of state benefits systems Jacqueline Kennelly argues that democracy s decline is not occurring because young people are apathetic or focused on informal politics or unaware of their civic duties Rather it is because of collective misunderstanding about how democracy is actually structured how individuals learn to participate and how growing wealth inequality has undermined the capacity of those at the bottom to meaningfully advocate for changes that might improve their conditions Against a vivid and often heart breaking backdrop of stories from young people struggling to survive and thrive under conditions of ever expanding state retrenchment and inequality Burnt by Democracy makes a timely and impassioned plea for protecting and strengthening democracy by truly levelling the playing field for all Poor's ,1926
