

Efficient Steps to Writing Research Summary

1

Decide what your summary will cover

2

Take a quick look at the article

3

The article should be read one or two times

4

Write a summary of each section using your own words

5

Rather than evaluating the findings, report them

6

Be brief when summarizing

7

State the research question and hypothesis

8

Discuss the results and their significance

9

Correct errors and improve the flow of the summary
