Prayers That Break Curses John Eckhardt, 2009-12-16 Is your life characterized by continual setbacks and misfortune Does it appear as though no matter what you do you cannot seem to obtain the blessings of the Lord You could be living under a curse Unfortunately there are still many believers living under curses even though they have been legally redeemed Just as a believer may have to fight a good fight of faith for healing he or she may also have to fight a good fight of faith against curses Satan may not have a legal right to enforce a curse against you but he is an outlaw and will attempt to do so anyway Therefore curses oftentimes have to be broken and you must learn how to stand in faith against those curses keeping them from operating in your life The promises God gives us in the Bible are not automatic They must be believed and often fought for You don't have to fight God for His promises He is not keeping them back from you But you must contend with the Adversary who is trying to prevent you from receiving and walking in God's promises Written in the style of Prayers That Rout Demons this second book in the series contains information about curses and sentence declaratory prayers to break the power of curses from your life

The Conqueror's Tread Shandon L. Guthrie, 2022-02-02 For many Christians the concept of spiritual warfare involves scenarios that are often enchanting extravagant and even parapsychological Hard lined skeptics respond by

treating it instead as an archaic and outmoded superstition a farce While we might think a simple reading of Scripture will settle the matter this has not been the case since those writing on the subject are tacitly influenced by dubious philosophical commitments and presuppositions left unchecked This groundbreaking book incorporates philosophical reasoning in formulating for the everyday Christian a robust biblical doctrine of spiritual warfare It is a serious but readable attempt to understand what spiritual warfare is by addressing both the theological and philosophical issues involved The Conqueror s Tread dares to take a reasoned approach to pressing questions such as Do supernatural beings really exist If so what are they and what can they do Are there territorial spirits Is exorcism a part of spiritual warfare Does spiritual warfare involve speaking aloud prayerwalking and breaking curses What can evil spirits do to Christians Can Christians be demon possessed Why would God allow his people to be in a state of conflict with evil spirits What is Christian holiness and how do we pursue it What role does apologetics have and many more
