How To Report Anti Social Behaviour:

Anti-Social Behaviour Orders J. Donoghue, 2010-02-24 This book vigorously challenges the dominant academic view of ASBOs as erroneous tools of social control and offers an alternative perspective on anti social behaviour management which argues that ASBOs are capable of enabling a positive process of engagement among local authorities housing professionals and residents

Tackling Anti-Social Behaviour: Supportive Interventions for Anti Social Behaviour: Their Use and Effectiveness, Especially on People with Mental Health Problems, *Understanding Identity and Organizations* Kate Kenny, Andrea Whittle, Hugh Willmott, 2011-12-01 An understanding of identity is fundamental to a complete understanding of organizational life While

conventional management textbooks nod to in groups cohesion and discrimination this text offers instead a deeper more nuanced understanding of why people groups and organizations behave the way they do With conceptions of identity perhaps less stable than they have ever been the authors make complex theoretical issues accessible to the reader through the use of lively examples from popular culture The authors present an overview of the key issues as well as an examination of cutting edge research and topical forces currently re defining identity such as globalisation the fair trade movement and online identities This text is a succinct relevant and exciting overview of the field of identity studies as it relates to business and management and applied social sciences an is an invaluable resource to undergraduate and postgraduate students of management on any course that has an identity component ASB Compendium Cynthia Siat, Kelee M Siat, 2013-01-10
