Master Gmail's secret weapons like Smart Compose and Nudging to become an email power user. Outsmart those pesky spammers and phishers they won't know what hit 'em. Conquer your schedule with Google Calendar and Tasks, finally remember your anniversary. Turn Google Keep into your digital brain because who needs to remember everything? So grab a cup of coffee, put on your favorite tunes, and get ready to transform your Gmail experience from ough to oh yeah. This book is your ticket to a stress-free, organized, and dare I say enjoyable digital life.

Google Voice For Dummies
Bud E. Smith, Chris Dannen, 2009-10-02. Save time and money with Google's revolutionary new phone system. Google Voice combines existing phone lines, e-mail, and Web access into one central communication channel. Tech industry watchers expect it to give Skype some serious competition, yet little information is available on this new Google service. *Google Voice For Dummies* is the first and only book on Google's breakthrough new offering and provides essential information for individuals and businesses who want to take advantage of this exciting new technology. Google Voice is expected to have a major impact on telephony and to offer major cost savings for individuals and businesses. This guide focuses on an in-depth understanding of setting up and using Google Voice and how to integrate it with other Google services, including Gmail, Google Chat, and Google Talk. Discusses managing Google Voice within organizations and examines key concerns for business schools, government, and other kinds of organizations. Explains how Google Voice connects with the many phone options currently available and how to move toward an optimized and inexpensive yet flexible and powerful phone environment. The book is supported by news and updates on www.gvDaily.com, the leading Google Voice question and answer site created by authors Bud E. Smith and Chris Dannen. *Google Voice For Dummies* supplies much needed information on this free and exciting technology that the New York Times has called revolutionary.
