Left Over Smoked Turkey Recipe:

A Kiss of Smoke Jackie Weight, 2023-09-15 This book hosts a compendium of my favourite recipes which can be cooked outdoors on a barbecue or using traditional indoor kitchen methods In this book you will find good honest cooking meals that you will love to eat and love to serve to family and friends None of the photography has been staged every photo was taken just before the food was eaten so again there is honesty in the way it is presented Most of the recipes are cooked using the more gentle indirect barbecue method positioning food away from the fire thus reducing the risk of creating a bitter flavour caused by over charring or burning So whether you want to cook outside on your barbecue or indoors in your kitchen there will be something in this book for you I hope you enjoy recreating some of these recipes as much as I have enjoyed sharing them with you
