Generac Corporation ,1965 Fighting over Words Roger W. Shuy, 2008-01-29 Most people fight over something or other and language is usually at the very center of the conflict Often the way we use language is the cause of the battle There are many areas in which fighting about language can be observed but civil law cases offer the most fertile examples of this warfare over words What did the contract actually say Was there deception in the advertising Was the warning label clear and effective Did the company evidence race or age discrimination against employees or customers Was one company's name too similar to that of another company Did the corporation plagiarize the work of another Did it fraudulently represent what its work This book is about the ways linguistic analysis describes exposes and aids disputes in 18 civil cases where language framed the battleground Roger Shuy a well known forensic linguist and consultant shows how the skills of linguistic analysis can help resolve disputed meanings while also showing how civil cases can prove to be fertile ground for linguistic scholarship He does this by collecting and analyzing cases involving contracts trademark disputes advertisements product liability copyright infringement discrimination trademark disputes and fraud controversies In each case he employs all the tools of formal linguistics to show how it can be as helpful as other physical sciences in resolving legal disagreements The work will be of interest primarily to linguists sociolinguists forensic linguists and scholars and students of law and society as well as lawyers and law students Home Power ,2004 Public Works Manual ,2002 **Popular Science** ,1978-04 Popular Science gives our readers the information and tools to improve their technology and their world The core belief that Popular Science and our readers share The future is going to be better and science and technology are the driving forces that will help make it better Trailer Life's RV Repair & Maintenance Manual John Thompson, Patrick J. to prepare for and react in many of life's most unpredictable scenarios. In this disaster preparedness manual, he outlines the materials you'll need from food and water to shelter and energy to first aid and survival skills to help you safely live through the worst. When Disaster Strikes covers how to find and store food, water, and clothing, as well as the basics of installing back-up power and lights. You'll learn how to gather and sterilize water, build a fire, treat injuries in an emergency, and use alternative medical sources when conventional ones are unavailable. Stein instructs you on the smartest responses to natural disasters such as fires, earthquakes, hurricanes, and floods; how to keep warm during winter storms; even how to protect yourself from attack or other dangerous situations. With this comprehensive guide in hand, you can be sure to respond quickly, correctly, and confidently when a crisis threatens.
