

Marking a Waypoint

A waypoint is any point on the Map Page that you want to remember. You can mark (create) a waypoint at your current location, enter the waypoint, and save it to use as a route (see "Creating Routes").

To mark a waypoint

1. From the Map Page, press **MARK**. The Mark Waypoint page appears.
2. To name the waypoint, use the **ROCKER** key to highlight the "Name" field and press **ENTER**.
3. Enter a name for the waypoint on the keyboard using the **ROCKER** key and the **ENTER** key (see "Entering Data" on the previous page).
4. Highlight "OK" and press **ENTER** to save the waypoint.

Finding Places

Using the Find Page, you can search for waypoints, points of interest, or cities. If you load optional MapSource® Points of Interest data on your GPS 60, you can search for businesses, lodging, restaurants, and more.

To find a waypoint

1. Press the **FIND** key. The Find Page appears, highlighting "Waypoints" and press **ENTER**.
2. Use the **ROCKER** key to scroll down the list and highlight the waypoint you want to find. Press **ENTER** to select the waypoint. The Waypoint Information Page appears.
3. Use the **ROCKER** key to highlight "Map" and press **ENTER** if you want to view the waypoint on the map. Select "Go To" to begin navigation (see "Creating Routes").

Creating and Viewing Tracks

Tracks are like little fingerprints—they show you exactly where you have traveled. Tracks appear as a small dotted line on the Map Page. Your GPS 60 automatically creates tracks as you move and displays the dotted line, called a track log.

To view tracks

1. Press the **MARK** key until you see the Map Page.
2. Walk away from your present location for at least three minutes.
3. Press **W** to begin to see the Map Page until you can see your track log.

The Find Waypoint Page lists all of the waypoints you have marked. Press **ENTER** to select a waypoint. Then select "Map" to view the waypoint on the Map Page or select "Go To" to create a route to the waypoint. The track appears on the Map Page as a dotted line from your current location to the waypoint.

Creating Routes

A route gives you straight-line directions from one point to another, or from one point to several others. You can create a simple route by finding a waypoint and selecting "Go To" (see "Finding Places"). You can create more complex routes involving many points with the Route Page.

To create a route

1. Press **MARK** until you see the Map Menu Page. Use the **ROCKER** key to highlight "Routes" and press **ENTER**. Then press **ENTER** again to create a new route.
2. Highlight "Select first Point" and press **ENTER** to add a point to your route. The Find Page appears.
3. Find a waypoint or other point to add to your route (see "Finding Places"). When you have found a point, select "Go" from the Point Information Page to add the point to your route.
4. Repeat steps 2 and 3 to add more points to your route. When you are finished adding points, highlight "Waypoint" and press **ENTER** to begin using the route.

For the Map, Compare, and Map Comparison Pages to compare a route, the route information must first be on the Map Page. To copy waypoints, press **ENTER** on the Map Page and select "Copy Waypoints".

Garmin Gps 60 Manual

M Lipman

Garmin Gps 60 Manual:

Garmin Gps 60 Manual: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous engrossing novels captivating the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the fascinating narratives that have captivated audiences this year. Garmin Gps 60 Manual : Colleen Hoover's "It Ends with Us" This heartfelt tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Garmin Gps 60 Manual : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens' "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and thrilling novel that will keep you guessing until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
