How To Create Manage Wealth Using Business Tools And Techniques:

How to Create and Manage Wealth Using Business Tools and Techniques S. Silverman, 2014-12-15 Business tools and techniques are used mostly in the corporate world to enhance the performance of the company in strategic directions. These tools and techniques are rarely used by individuals to achieve the maximum output and therefore create wealth. This book examines some of these tools and techniques and come out with how they can consistently be applied for the benefits of individuals. Success comes to those who do not just dream it but take the mantle to the marketplace and make their impact felt in the world. Are you ready to learn how these techniques can be applied to your personal life? Take a seat and read *How to Make Manage Wealth using Business Tools and Techniques*. Stay blessed. [Simple Tools and Techniques for Enterprise Risk Management](#) Robert J. Chapman, 2011-03-23 Enterprise Risk Management (ERM) represents a fundamental shift in the way businesses must approach risk. As the economy becomes more service driven and globally oriented, businesses cannot afford to let new unforeseen areas of risk remain unidentified. Currency fluctuations, human resources in foreign countries, evaporating distribution channels, corporate governance and unprecedented dependence on technology are just a few of the new risks businesses must assess. This accessible book aimed at the implementers and practitioners of ERM provides a highly structured approach so you can easily implement processes in your own organization. You'll find a number of case studies and practical examples from a variety of industries. The chapters are organized in a way that leads you through ERM implementation and include risk identification techniques, risk modelling methods and the underlying statistics.
