Good Nights Out Aleks Sierz, 2019-12-12 London's West End is a global success story staging phenomenal hit shows that have delighted millions of spectators and generated billions of pounds in revenue In Good Nights Out Aleks Sierz provides a thematic survey of such popular theatre shows that were enormous commercial successes over the past 75 years He argues that these outstanding hits have a lot to say about the collective cultural social and political attitudes and aspirations of the country and about how our national identity and theatre's role in creating it has evolved over the decades The book spans a range of work from almost forgotten plays such as R F Delderfield's Worm's Eye View and Hugh Hastings's Seagulls Over Sorrento to well known mega hits such as The Mousetrap and The Phantom of the Opera Such popular work has tended to be undervalued by some critics and commentators mainly because it has not been thought to be a suitable subject for inclusion in the canon of English Literature By contrast Sierz demonstrates that genres such as the British musical light comedy sex farce or murder mystery are worth appreciating not only for their intrinsic theatrical

qualities but also as examples of the dream life of the British people The book challenges the idea that mega hits are merely escapist entertainments and instead shows how they contribute to the creation of powerful myths about our national life The analysis of such shows also points towards the possibility of creating an alternative history of postwar British theatre

John Osborne's Look Back in Anger Aleks Sierz, 2008-03-10 Look Back in Anger is one of the few works of drama that are indisputably central to British culture in general and its name is one of the most well known in postwar cultural history Its premiere in 1956 sparked off the first new wave of kitchen sink drama and the cultural phenomenon of the angry young man The play's anti hero Jimmy Porter became the spokesman of a generation Osborne's play is a key milestone in new writing for British theatre and the Royal Court which produced the play has since become one of the most important new writing theatres in the UK **Tribune for Victory and Socialism** ,2007 Chess Life ,2003
