Professional Feature Writing Bruce Garrison, 2023-05-30

Professional Feature Writing provides an essential introduction to the basics of news media feature writing and establishes a solid foundation for students and writers making feature writing their careers. This sixth edition offers a thorough and up-to-date look at newspapers, magazines, newsletters, and online publications, with emphasis on daily newspapers, consumer magazines, and online news. Special attention is paid to writing skills, feature story types, and the collegiate and professional writing life, and the text is filled with practical guidance for writing a wide variety of features, drawing on insights from both junior and experienced writers, editors, and publishers. Alongside a solid tour of forms and approaches to feature writing, the author includes lists of tips, observations, guidelines, sources, and story ideas. New to this edition are three chapters covering interviewing and observation in features, social media in feature writing, and writing social trends features. Updated international examples of feature writing are integrated throughout the text. Additional and expanded discussion about writing features for online publications and the uses of social media in gathering information and reporting. Increased attention to multimedia and the impact of new technologies on the industry. Building on introductory writing and reporting skills, this text is appropriate for upper division journalism students learning feature writing and advanced writing topics. It will also serve as a valuable resource for freelance writers.

Design Portfolios

Mark W. Smith, 2023-03-08. Unique perspective of a seasoned designer and veteran A/E industry recruiter regarding what design industry recruiters actually look for in a Design Portfolio. Design Portfolios: A Recruiter's View provides a student-friendly guide written from the perspective of a designer and design industry recruiter on what recruiters look for as they review a design portfolio. It shows students how to create a professional quality portfolio that will get them to that all-important next step in the recruiting process: the interview. Using a unique plan of action, The Four S's, the book presents an organizational mindset focused on the added value of telling your Story, revealing your Style, proclaiming your Substance, and Sharing your uniqueness effectively. In today's competitive market, a winning portfolio is much more than a simple accounting of digital skills and volumes of high-resolution graphics. This book shows students what recruiters really value and how to ensure their portfolios make the right impression. Design Portfolios: A Recruiter's View explains how to develop a memorable organizational approach around story, style, substance, and sharing, and create a winning portfolio. Answers to the key questions students ask to fill in gaps in their academic instruction. Real examples of resumes, cover letters, and portfolios that reveal what is needed for success. Years of big-picture insight gained from actual portfolio reviews during the author's time as a designer and recruiter. Aimed at the inexperienced design student rather than the practicing professional. Design Portfolios: A Recruiter's View is an easy-to-understand and constructive guide that is incredibly helpful to young designers with project histories that consist only of academic and internship work.
