What's the pathway to regression? Talking about it and wanting it is one thing. But how do you actually achieve it? This was what Veronica wanted to know. She was a simple soul with an imagination that ran wild inside her. With an overly active mindset such as that, it was only a matter of time before she explored the most well-kept secrets of her heart, wanting to know how they felt. She had a Daddy's Girl interest that bloomed into age play, and she learned herself to be a BabyGirl at heart. So when she met Hunter, a guy with all the masculine charm any girl could ask for, she opened up to him like a book about everything. Being a knight of Chivalry, Hunter pursued knowledge of her interests and then embraced them. Now taking a weekend trip for some skiing at the tail end of the skiing season, Hunter and Veronica journey to a cabin near the ski resort. They get there just before a late season blizzard hits, stranding them for a few days. So for a few days they embraced their Daddy n BabyGirl dynamic fully. Veronica learning what regression entails and requires of her. Hunter learns what real responsibility is like as he helps her slip into a mindset of regressive bliss. Last Snow is a story about self-discovery.
