Last Snow Zorro Daddy, 2025-03-20 This is adult material and therefore not intended for minors. What's the pathway to regression? Talking about it and wanting it is one thing. But how do you actually achieve it? This was what Veronica wanted to know. She was a simple soul with an imagination that ran wild inside her. With an overly active mindset such as that, it was only a matter of time before she explored the most well-kept secrets of her heart, wanting to know how they felt. She had a Daddy's Girl interest that bloomed into age play, and she learned herself to be a BabyGirl at heart. So when she met Hunter, a guy with all the masculine charm any girl could ask for, she opened up to him like a book about everything. Being a knight of Chivalry, Hunter pursued knowledge of her interests and then embraced them. Now taking a weekend trip for some skiing at the tail end of the skiing season, Hunter and Veronica journey to a cabin near the ski resort. They get there just before a late season blizzard hits, stranding them for a few days. So for a few days they embraced their Daddy n BabyGirl dynamic, fully Veronica learning what regression entails and requires of her. Hunter learns what real responsibility is like as he helps her slip into a mindset of regressive bliss. *Last Snow* is a story
