Parent Settings

Parent Settings allows you to control your child's play on these interactive LEAPPAD[™] ULTRA features:

- **Wireless settings** — Control connection set-up and access to LeapFrog-defined online experiences.
- **Child profile** — Easily manage permissions and profile information or add a new profile.
- **Peer-to-peer settings** — Control how your child plays with other children through their pet avatars when two LeapPad Ultra devices are in close proximity to one another via local ad hoc Wi-Fi network.
- **App Center /Centre** — Parents can purchase digital content directly from the device with a Parent Account password. Control your child's access to the App Center/Centre, where they can watch trailers and create a wish list. Parents can choose whether children may view pricing and buy buttons.
- **Manage Content** — Choose what content you want to store on and off the device.
- **Artwork Storage** — Store child-created pictures, photos and video on and off the device.
- **Device Settings** — Manage settings like language, time, date and more.

Access to Parent Settings is protected by a 4-digit parent lock code that must be established during initial set-up. Parent Settings can be accessed from the Sign In screen by pressing the Parent Settings icon to login with your parent lock. Alternatively, you can log in via the Settings icon on the Home Bar of the child's Home Screen.

Forgetting or resetting your Parent Lock

If you have forgotten your 4-digit parent lock code you can look it up in the leapfrog.com Parent Account you created during device set-up and registration. If you need to reset your parent lock, you can do it from the device or reference the FAQ section for more information.
