*101 Sample Write-Ups for Documenting Employee Performance Problems* Paul Falcone, 2010-03-24 Whether you're addressing an initial infraction or handling termination worthy transgressions you need to be 100 percent confident that every employee encounter is clear, fair and most importantly legal. Thankfully HR expert Paul Falcone has provided this wide-ranging resource that explains in detail the disciplinary process and provides ready-to-use documents that eliminate stress and second-guessing about what to do and say. Revised to reflect the latest developments in employment law, the third edition of *101 Sample Write-Ups for Documenting Employee Performance Problems* includes expertly crafted, easily customizable write-ups that address sexual harassment, absenteeism, insubordination, drug or alcohol abuse, substandard work, email and phone misuse, teamwork issues, managerial misconduct, confidentiality breaches, social media abuse and more. With each sample document also including a performance improvement plan, outcomes and consequences and a section of employee rebuttal, it's easy to see why over 100,000 copies have already been sold, making life for managers and HR personnel significantly easier when it comes to addressing employee performance issues.

**Global Strategy and Practice of E-Governance: Examples from Around the World** Piaggese, Danilo, Sund, Kristian, Castelnovo, Walter, 2011-04-30 Over the past decade there has been continual development and renewal of strategies and practices surrounding e-governance. Governments around the world have embraced new information and communication technologies to increase the efficiency of internal processes, deliver better and more integrated services to citizens and businesses, invite citizen and stakeholder participation in planning decisions, improve communication and sometimes even enhance democratic processes. *Global Strategy and Practice of E-Governance: Examples from Around the World* provides readers with an overview of relevant strategy and policy level theoretical frameworks and examples as well as up-to-date implementations from around the world. This book offers valuable insights into best practices as well as some of the issues and challenges surrounding the governance of and with information and communication technologies in a globalized, knowledge-based world.

**Electronic Document Preparation and Management for CSEC® Examinations Coursebook with CD-ROM** Kyle Skeete, 2011-11-03 This book covers the new EDPM CSEC syllabus to be taught from September 2011. Administrative Law Steven J. Cann, 2005-08-11 In this new edition author Steven J Cann once again enlivens the topic of United States administrative law through the use of recent and classic legal cases to make it accessible and interesting to students Administrative Law Fourth Edition is an engaging casebook that presents a unique problem solving framework that contrasts democracy with the administrative state This novel approach places the often complex subject matter of U S administrative law into a more comprehensible context The Fourth Edition has been completely updated and revised and includes many new cases to reflect changes in the law since the year 2000

Drafting Elmer Doonan, 2001-02-26 The appearance of this series of texts on legal skills reflects the shift in emphasis in legal education away from a focus on teaching legal information and towards the teaching and learning of task related and problem solving skills Legal education in the UK has undergone significant changes over the past 15 years as a result of growing concern expressed for the most part by the profession over its adequacy to prepare students for the practice of law At the same time many legal educators have voiced fears that concentrating on drilling students in substantive law promotes neither the agility of mind

Nartey, 2025-02-27. Divided into two volumes, this book develops guiding principles for higher education institutions to use GenAI effectively and ethically in teaching and learning, articulating a roadmap for implementation at institutional levels and addressing the conundrum of using GenAI in higher education. As higher education institutions take different attitudes and approaches to Generative AI, GenAI with some viewing it as a threat to academic integrity and therefore banning its use, while others have embraced it as an innovation to academic practice and have implemented guidance on how to use it ethically, this book makes clear that GenAI, such as ChatGPT, is not the problem itself; the issue is how we engage with it. *Your GPT, Your Way* Zane Wilder, 2025-04-11.
