It's Not Where You're from but Where You Wish to Go George W. Burnette, 2010-11-17 There s no available information at this time Author will provide once information is available      **100 Missions North** Ken Bell, 2000-12-01 A harrowing personal account of the extraordinary dangerous missions the author and his comrades flew over North Vietnam in 1966 1967 At that time American airmen were faced with unprecedented defenses and the highest pilot loss rate exceeding 25% since the early days of the US strategic bombing of Europe during World War II This thrilling book tells what it was like to muster the courage to climb into the cockpit day after day as you watched your comrades fall one by one and how the pilots fought back      Letters to Imogene Robert E. Stumpf, 2021-03-23 Three career Army officers the author s father grandfather and uncle are thrust into the global struggle to save the world from Hitler s Nazi empire United by their love of Imogene daughter sister and wife their letters to her and her replies chronicle the personal side of war Imogene s father Major General Donald Stroh initially the assistant commander of the 9th Infantry Division later commanded the 8th and 106th Infantry Divisions Her husband Lieutenant Colonel Robert Stumpf commanded a battalion in the 9th and later a regiment in the 106th Their campaigns began in North Africa in late 1942 and concluded in Germany nearly three years later Imogene s brother Captain Harry Stroh was a P 47 Thunderbolt flight leader in the 362nd Fighter Group who at times flew close support missions for both the 8th and 9th Divisions in Normandy and Brittany Letters to Imogene includes insights into the personalities of some of the war s luminaries Generals Eisenhower Patton and Lightnin Joe Collins among others The family narrative is rife with hardship and humor courage heartbreak and triumph and their letters present a unique and compelling window into the lives of those who fought and won the Second World War      **Vivid Memories of an Interesting Life** Col. John H. Roush Jr., 2017-02-20 This volume presents a dramatic collection of significant combat experiences of seventy nine men in World War II as told from one combat veteran to another In the eighty six chapters are stories involving all the various branches of combat service and all of the various theaters of war Within reminiscences veterans of dangerous encounters are much more apt to open up with details in discussions with men who have also experienced combat Many find it emotionally distressing to talk of the war with the general public or to recall the horrors of warfare This is not a history book nor any attempt to tell the big picture of grand campaigns Instead it is a collection of personal involvements in one at a time incidents of conflict Many ask what it was like in World War II for our conflicts in recent years have been vastly different It has been said that war has become and continues to be an intractable social phenomenon While some say its elimination is necessary to the survival of mankind we do not seem to have approached closer to that elimination in the sixty seven years since World War II ended Encounters of warfare remain a stark reality within the present era That being so perhaps we should read of what happened as recalled in the most vivid memories of men involved in the most overpowering conflict of modern warfare Sincerely John Roush      **Infantry Journal** ,1946      **Army** ,1967      **A Ramble through My War: Anzio**
