Loeys Guide To Buffy:

The Gentleviewer's Obsessive Guide to Buffy the Vampire Slayer, Second Edition Kathleen Mattson, 2013-12-01
The Gentleviewer's Obsessive Guide to Buffy the Vampire Slayer is a compendium of the show's pop culture references and more. The second edition adds a section on the unaired Pitch Pilot episode arcs for character relationships and about 40% more cultural and episode cross references. Included are tables that give at a glance access to the characters in each season, music listings for bands in the Bronze as well as background music and episode arcs of characters and relationships which give you the viewing maps of the minimum episodes to get their stories. But the main focus of this guide is an exhaustive listing of the numerous cultural references that pop up throughout the show. Topping off this guide is a robust index with more than 2,000 entries giving you all the answers to questions like: In which episode is Xander's reference to Cannibal the Musical? In which episode does Spike first come to Sunnydale? When is it that Buffy finally tells the Watcher's Council that without her they might as well be watching Masterpiece Theater? The Gentleviewer's Obsessive Guide to Buffy the Vampire Slayer should provide hours of fun for Trivial Pursuit enthusiasts and fans of Buffy, the other residents of Sunnydale, and the genius of Joss Whedon. It is also a great research tool for those writing and studying this amazing show. But be warned that this book is basically comprised entirely of spoilers. Reading The Vampire Slayer Roz Kaveney, 2003 *Slayer* Keith Topping, 2002. Buffy the Vampire Slayer is a TV phenomenon critically acclaimed and hugely popular throughout the world. Adhering to Virgin's successful programme guide format and the style of the first two editions, Slayer contains a complete episode by episode guide to all five seasons with each episode broken down into recurring categories to draw attention to details that might otherwise be missed by viewers. Bestselling author Keith Topping also unearths pop culture references and soundtrack information, serves up the best lines of dialogue and exposes continuity errors while also managing to analyse the show's subtexts and serious issues. In addition, he provides a section on the Buffy novels, background essays, and a useful Internet section, all in a style that captures the unique humour of the show. Vampires, violence, passion, non-conformism, and teenage angst: this is the essential guide for both casual fans and the most devoted. *Slayer* Keith Topping, 2001.

Bite Me! Nikki Stafford, 2007-12-01. Take a deep dive into the TV series that brought us all into the Buffyverse, including an episode guide, a trivia quiz, cast bios, and more. It's been more than a decade since Buffy Summers first walked into the Sunnydale High library and came face-to-face with her Watcher, who told her she was the Chosen One who would save the world from vampires. In the seven seasons that *Buffy the Vampire Slayer* was on TV, we watched her kill her true love, but he got better; graduate high school by blowing it up; discover she had a sister who uh, was always there; sacrifice her own life; but she got better; watch her sidekicks become heroes and villains; and essentially grow up. *Bite Me*, Nikki Stafford's critical analysis of the show, was one of the bestselling and most critically acclaimed books on Buffy when it was released in 2002. Current up to season 6, the book examined Buffy's development and outlined the mythical, religious, and historical backgrounds to the episodes. Nikki's guide to season 7 appeared in her *Angel* book, but there was never one place where fans could get their Buffy fix all in one place. Until now. Revised and updated, the 10th Buffyversary edition of *Bite Me* contains all seven seasons of this groundbreaking series, chronicles what happened to all of its stars, gives the background story to why the series ended, and what legacy it has had, and even contains information about the new Buffy season eight comic book series from Dark Horse. *Bite Me* is the definitive guide for all Buffy fans. *The Gentleviewer's Obsessive Guide to Buffy the Vampire Slayer*, Kathleen Mattson, 2012. What you'll find in the Second Edition of *The Gentleviewer's Obsessive Guide to Buffy the Vampire Slayer*: Episode arcs showing the minimum episodes to watch to get the stories for Buffy, Xander, Willow, Giles, Angel, Spike, Anya, and various relationships; brief overview of each episode with cultural references; episode cross references including references to *Angel* and appearances in the *Bronze*; and reference to the music heard in the episodes; tables of character involvement in each season showing in which episodes characters were introduced, appear, or leave the series; tables and listings of all the writers and directors; table of over 200 characters and actors; complete index with over 2,100 entries on episodes, bands, cultural references, and more.
