Received Text in union with the Waldenses the Jesuit inspired counter Reformation adopted the Latin Vulgate and the
Vaticanus What do we see today Most of the modern versions are based upon the text of the counter Reformation In addition
we see increased negativity toward the Textus Receptus and the King James Version This has not been without adverse
effects upon all of Protestantism and Adventism specifically This book provides insights into the causes and effects that the
doctrinal pluralism of the common text Bibles of the counter Reformation have had on Adventist doctrine Since doctrinally
pluralistic Bibles cannot function as self interpretive units an interpretive authority from outside of Scripture is brought into
play As a result creedalism is overtaking Biblical authority History has demonstrated the sure results of this misplaced
