

European Paediatric Life Support (EPLS) Provider Course Regulations 2014

1. General

- 1.1 All Course Directors, Instructors and Instructor Candidates must abide by the Resuscitation Council (UK) Code of Conduct.
- 1.2 Any profit made from EPLS provider courses should be used only for purposes directly related to resuscitation.
- 1.3 A registration fee for each candidate is payable to the Resuscitation Council (UK), in addition to the cost of the manual. No refunds or credits are available on unused registrations.
- 1.4 The EPLS provider course will last for a minimum of 2 full days.
- 1.5 The Resuscitation Council (UK) discourages the payment of Honoraria and advises, in the interests of probity, that any such payment should be made through the Trust's Finance Department. For further guidance please see the "Payment of Honoraria to Resuscitation Council (UK) Instructors" statement.

2. EPLS Course Centres

- 2.1 Only an approved Course Centre may run the EPLS course.
- 2.2 Applications to become a Course Centre should be made in writing to the Resuscitation Council (UK) using the EPLS Course Centre application form and will be reviewed by the EPLS Subcommittee.
- 2.3 A Course Centre is regarded as the administrative centre from which the EPLS provider course is organised, rather than the geographical location of where a course is delivered or the person organising it. For example, a Trust that has 3 hospital sites but organises courses centrally from one site need only register as 1 centre.
- 2.4 A Course Centre may only organise courses within its own NHS region.
- 2.5 Where a Course Centre delivers a course at a new location, the Course Centre is responsible for ensuring that the facilities at the new venue are adequate.
- 2.6 The first course run by any Course Centre must be assessed by a Resuscitation Council (UK) EPLS course assessor who must be present for the entire course.
- 2.7 A Resuscitation Council (UK) EPLS course assessor is an experienced Instructor approved by the EPLS Subcommittee.

A list of current approved EPLS course assessors is available from the EPLS Co-ordinator at the Resuscitation Council (UK).

The Resuscitation Council (UK) will pay all reasonable expenses for EPLS course assessors. The EPLS course assessor should claim these from the Council rather than the Course Centre.
- 2.8 EPLS course assessors must not be counted as faculty. If, however, they decide to teach their attendance will be counted towards their teaching requirements.
- 2.9 Course Centres must not be assessed by their own Course Director acting in the capacity of an approved EPLS course assessor.
