Science Simplified: Simple and Fun Science (Book E, Grades 4-6) Dennis McKee and Lynn Wicker, 2021-06-04 The study of science is important because it helps us understand how the world works. One way we learn science is by reading about discoveries made by scientists. Another way is by learning how scientists do their work and then through experiments and activities make discoveries on our own. The Simple and Fun Science Simplified series offers students both paths to understanding science. Answers are provided at the back of the book.
