Hayes,2020-10-06 This illustrated history celebrates the 75th and 70th anniversaries of Volkswagen's two most iconic vehicles from the first Beetles spearheaded by Ferdinand Porsche in the 1940s to the buses that became synonymous with a generation Volkswagen is one of the most beloved brands in motoring history thanks largely to two instantly recognizable vehicles the Beetle a.k.a Bug and the Bus More than 23 million VW Beetles have buzzed into the world since 1945 while the VW Bus presaged the minivan by thirty plus years Volkswagen Beetles and Buses examines and celebrates all aspects of the vehicles and the many cultural associations that have swirled around them for more than seven decades The diminutive rear engined and easily mass produced Beetle became the most popular imported car in America during the 1960s Its success was due to its familiar face its wildly clever ad campaigns and the sheer numbers produced The equally compact yet spacious Bus a.k.a Kombi Microbus Type 2 Transporter and simply van has won millions of fans around the world with its practicality simplicity and design In this beautifully illustrated and authoritatively written celebration author Russell Hayes looks back at the vehicles while focusing on the classic air cooled VWs that ran into the late 1970s Along the way readers witness the Beetle and Bus at work and at play and learn about vehicle development and growing roles in popular culture including star appearances in films like The Love Bug Little Miss Sunshine Footloose Fight Club The Big Lebowski and Fast Times at

Ridgemont High as well as television shows like *Lost* and *Once Upon a Time* and on the covers of the Beatles *Abbey Road* and Bob Dylan's *Freewheelin* album. The story is brought up to date with coverage of the New Beetle and plans for the VW Buzz, a modern electric version of the iconic Microbus due in 2022. Volkswagen Beetles and Buses deserves a place in the motoring libraries of VW owners, automotive enthusiasts and those simply interested in pop culture. It's the ultimate illustrated history of these beloved vehicles.

Us Two Janet Hoggarth, 2023-07-19. Heart swelling, heart breaking and all round unforgettable. This is the campervan journey everyone will love this summer. Shari Low. When Florence met Rowena, they knew for sure that they would always be friends. Wayward parents, boring teachers, teenage crushes, first heartbreaks, anything and everything could be faced as long as Florence had Rowena by her side. But then she didn't. And life had to be redrawn and reconsidered. Being a grown up has its perks, but as Rowena faces the biggest challenge of her life, and Florence wonders if it's time to stop running away from hers, there's a wise soul who knows the one thing that can help them both. Some friendships are meant to last forever, and it's never too late for forever to start again. Joyous and heart-breaking, laugh-out-loud funny, life-affirming and unforgettable. Join Flo and Ro on a journey that will warm your heart and perhaps make you wonder about those old friends who knew you so well. Janet Hoggarth is the bestselling author of *The Single Mums* series. Perfect for fans of Marian Keyes, Mike Gayle and Jennyclair. What authors and readers are saying about Janet Hoggarth. A soul-searching, heart-warming story about mothers, daughters and shocking secrets. I adored it. Bestselling author Shari Low. Such brilliant characters, such amazing insights and some great one-liners that I hope I will remember. I thoroughly enjoyed this. Must go to sleep now as it is nearly morning, but I couldn't put it down. Enjoy. I don't usually take the time to write a review, but felt compelled to do so for this book. A story of 4 generations of women and their stories, and how information withheld from each creates unforeseen repercussions that spin out over many years. I felt like I was reading someone's personal journey of discovery and not just a character in a book. Quality, realistic conversations throughout. Lovely story. What a great read. Read it over two days because I couldn't stop thinking about it. It just hit home with all the family secrets that seem so important at the time and so meaningless generations later. It really hit home as I work through my own genealogy. Good read, and I will definitely watch for more by this author. A heart-rending, heart-warming, heart-stopping and hilarious tale of a mother's love and a wounded soul rediscovering her awesome potential for life, and we are left hoping for lasting love. Sometimes heart-breaking, frequently laugh-out-loud funny and always searingly honest. The story is a rollercoaster and one that I was hooked on until the very end. More from Janet Hoggarth, please. Best book I've read for a long time. An honest and empowering read. A real page-turner. This book is written in a heartfelt and endearing way; the author manages to create a realistic story full of joy, heartbreak, tears and laughter.
