

Community Service Letter

Greetings Your Honor,

Thank you for considering the use of our program with your probation and parole clients. At Logan Social Services, our core mission is to help individuals serve the community and become more productive citizens. To accomplish this, we offer a wide range of relevant educational and self-improvement opportunities. After studying a course within a topic of interest to our clients, they have the opportunity to provide valuable feedback, which we review and use to improve our other programs. They are encouraged to offer insights, personal experiences, even perform further research into the topic and share their findings. All training materials we employ are prepared and approved by a licensed and experienced Master's Level Social Worker. Logan Social Services is a **501c(3)** registered non-profit organization.

Some of the topics your client will choose to study include Anger Management, Civics, Sensitivity in the Workplace, Math in Everyday Life, Parenting and Domestic Violence. Our program can accommodate up to 1000 hours of community service. Since we began offering our programs, we have served over 9000 clients and provided over 200,000 training hours.

We have affiliates throughout the US and Canada. As Program Director, I have brought my training and experience to the development and oversight of all services. I am a Licensed Master Level Social Worker, with over 8 years of experience helping individuals and families, both as a court-ordered provider and a contract worker with the Department of Human Services. Thank you for your consideration.

Respectfully submitted,

Amanda Pruitt, LMSW, CPC
Program Director, Logan Social Services

Youth Violence and Delinquency Frank P. Williams,Marilyn D. McShane,2007-05-30 Juvenile crime and violence has always piqued the public's interest Indeed each generation of Americans tends to define the youth crime problem as more serious than any previous generation Even though juvenile homicides have been decreasing since the mid 1990s the media is still quick to provide dramatic examples of juvenile monsters who are terrorizing their communities Shootings at school gang banging and trafficking drugs school bullies and charging juveniles as adults are subjects that have recently received wide media coverage This three volume set on the nature incidence consequences and treatment of youth crime and violence will help readers understand the true nature of youth crime and violence from a variety of perspectives Each volume covers a different area and experts write on topics ranging from sex offending to fire starting from gangs to guns from juvenile probation to charging youths as adults from mandatory mental health treatment to police in school settings and more What drives a teenager to steal To kill Why does youth crime and violence occur Why are youths such vulnerable targets What can be done to stop youth offenders and what can be done to help youthful victims How does the criminal justice system respond What do

communities do to punish and protect youths What can schools do to intervene All these questions and more are answered in this set on this timely and important topic Our youth are our most precious commodity and protecting vulnerable children as well as helping offenders is of paramount importance for steering them toward safe and productive lives These volumes help readers better understand the causes and consequences of youth violence and crime and consider ways to address the problems

Drug Court Justice Kevin Whiteacre, 2008 This book is an exploratory study of a juvenile drug treatment court in the Midwest Based on observations and interviews the author conducted while serving as the contracted program evaluator the book investigates how denial surveillance coercion accountability and definitions of success operate and interact in the Juvenile Drug Court environment and intertwine with institutional needs and authority structures The book's findings suggest that some drug court practices may expose participants to potential harms that until now have been largely ignored in studies of drug courts Drug Court Justice concludes with suggestions for reducing the potential harms of juvenile drug courts
