It should also enable human resource managers to verify the qualifications of potential employees.

**Your Professional Qualification**, 2002 What is the difference between an academic and professional qualification? Who should get a professional qualification? Did you know that some professions can not be legally practised with a degree alone? Why get a UK qualification? Is it expensive to gain a British qualification? What is a chartered institute or society and is it better than a non chartered body? What is the difference between a professional body and a trade union? These are all questions answered in this book which is designed to help individuals choose a career path and the right professional organisation. In today's world it isn't enough to have a qualification you need to be able to meet with peers and use the valuable networks that are already in place to foster your profession. Your Professional Qualification provides a comprehensive survey of the qualifications available in the UK along with guidance on where they lead entry requirements where to apply and where to study. Derived from the vast and authoritative British Qualifications database this important publication provides the first easily accessible guide to qualifications and how to get them in the UK. Built around a comprehensive directory of professional qualifying bodies each professional area is described in depth and its qualifications identified and explained. The book is supported by a simple

website which ensures purchasers of the book are kept up to speed with new developments      **Mastering Spreadsheet Bookkeeping** Peter Marshall,2014-04-17 Mastering Spreadsheet Bookkeeping will equip you with the knowledge to write your accounts spreadsheets successfully Whether you are studying for a qualification in bookkeeping or you are a small business owner needing to bring your accounts up to date Mastering Spreadsheet Bookkeeping will give you the knowledge and skills do this effectively helping you to set up your own computerized accounting package without splashing out on expensive new software With Mastering Spreadsheet Bookkeeping you will gain a thorough knowledge of how to use spreadsheets to their fullest advantage saving you invaluable time and labour Aimed at students of bookkeeping and small business owners Mastering Spreadsheet Bookkeeping takes you step by step through what you need to know to use spreadsheets with confidence With its focus on MS Excel and its clear step by step approach Mastering Spreadsheet Bookkeeping will help you to develop your own computerized bookkeeping skills with confidence In addition exam style questions and answers are provided for self testing so you may consolidate your bookkeeping knowledge as you learn
