

Juggernaut

A fearsome creature with a massive, hulking body, completely weaponized with spines that grow from its flesh. Incredibly aggressive with no sense of self, Juggernauts will violently attack any light-auma'd creatures they come across with aid from their impecible hearing. Juggernauts are capable of limited cat speech but it is hindered due to its low intelligence. It is not agile or fast but incredibly brutish with the ability to maim even the sturdiest of Vanguards. These beats are best taken on in groups of 3-4 cats, with their clunky movments and inability to attack more than one target.
