SCM Studyguide: Liturgy, 2nd Edition Stephen Burns, 2017-10-30 The SCM Studyguide Liturgy 2nd Edition is an introduction to liturgy that considers the basic building blocks needed to grasp the subject area It outlines the essential shape and content of Christian worship and explores a range of liturgical dynamics of which both students of liturgy and leaders of liturgy need to be aware This 2nd edition of the popular Studyguide is fully revised updated and expanded The book takes account of new developments in scholarship engages with new contexts for liturgical celebration notably fresh expressions as part of a mixed economy of church encompasses recent revisions in liturgy and seeks to broaden the engagement beyond the British context to consider the wider global context

SCM Studyguide: Philosophy and the Christian Faith Ben Pugh, 2018-12-04 The challenges that Western culture keeps posing to the Christian faith are ever new The goal posts keep changing This study guide will

equip theology students to understand the culture shaping beliefs that are driving the kinds of questions it brings to faith It will be an historical overview of the key stages in the history of Western philosophy with each section carefully tracing the genealogical line of ideas and the Christian responses to them right up to the present day For most theology students learning abstract philosophical concepts involves literally learning a new language a language that the initiated converse in with ease but which leaves the uninitiated baffled Thus each chapter in this study guide opens with a glossary of terms Throughout the studyguide students are encouraged to reflect on the ways in which what has been learned might be applied in both explicitly theological and wider cultural contexts for example they might be asked to think of a film or book that seems to express elements of existentialism or postmodernism or to describe how something very like the extreme subjectivity of idealism can sometimes shows itself in Sunday morning worship
