AROUND THE WORLD WITH

*Sheila Scott*

Flying over 31,000 miles, London to London, in thirty-three days in her single engine Piper Comanche 260 was a brilliant achievement of skill and perseverance which brought Sheila Scott the record for a solo flight around the world. Miss Scott wore a Rolex Oyster Perpetual G.M.T. Master. "A marvellous watch," she wrote.

The Rolex Oyster Perpetual G.M.T. Master is self-winding. An ingenious clutch mechanism prevents over-winding and keeps the mechanism at a constant tension for greater accuracy. Every G.M.T. Master has passed the timing tests of the Imperial Swiss Institute for Official Chronometer Tests with the mark "Especially Good Results."

The case is cut from solid stainless steel for maximum strength. It is waterproof, which means that it is proof also against dust, dirt, oil, grease. In addition to the normal hour, minute and second hands, the G.M.T. Master has a 24-hour hand, a calibrated bezel and the date is shown automatically. It may be set to show at a glance the time in any two time zones at once. The G.M.T. Master is

the official timepiece of Pan American Airways.

The G.M.T. Master takes a long time to make and few are produced each year, so you may have to wait a while for one. With stainless steel "Flunk-its" bracelet it is £34 11s.

The fully-illustrated catalogue shows other Rolex Oyster Perpetual watches from £44 11s. Write for a free copy.
