Advanced Level Audit Risks and Tests 2016 A. C. A. ACA Simplified,2016-06-06 New revised 2016 edition of our very popular Audit Risks Tests exam room notes book Provides an alphabetical quick reference list of 70 key audit test and risk areas based on our careful review of the ICAEW Study Manual for Corporate Reporting the ICAEW Question Bank for Corporate Reporting and the previous old TI paper in Business Reporting together with past papers and ICAEW mocks for both the evolved Advanced Level and old TI level Useful as a quick reference guide to generate reminders

in the exam Reduces the time that you will need to invest in revising Audit which is a fundamental element of the Corporate Reporting paper given the removal of Tax from this evolved ACA paper now 2 of the 3 questions in CR will have a heavy or even exclusive emphasis on audit risks and tests so the importance of this book's information and quick reference approach has been further enhanced under the evolved ACA This book removes the need for you to prepare your own folder notes on risks and tests leaving more time to invest in other aspects of Audit or the other elements of the new Advanced Level In addition to reviewing past papers and mocks we have carefully summarised the audit tests in the Audit Focus sections introduced in the 2015 edition of the Corporate Reporting Study Manual to ensure that you have quick reference to tests which have been emphasised in the new Advanced Level materials i.e. tests which the examiners appear keen for students to learn and mention but which are somewhat hidden away at the end of the financial reporting chapters All such tests are now indicated in bold in the relevant sections of our book All 70 Audit areas are arranged in alphabetical order allowing quick reference without having to remember which chapter to consult Where relevant cross references between Audit areas are also included giving you reminders and hints Book can also be used in preparation for Professional Level Audit Assurance helping you learn lists of tests for the crucial question on audit tests and procedures For a free sample see the Samples page at www.acasimplified.com Look out for our other Advanced Level Exam Room Notes publications SBM Exam Room Notes and FR Exam Room Notes out now on Amazon

Notes 2019 A. C. A. ACA Simplified, 2019-04-05 Our Advanced Level Financial Reporting Exam Room Notes 2019 provide an alphabetically organised set of quick reference notes of relevance to both the Corporate Reporting and Strategic Business Management Advanced Level examinations The 2019 edition of the book has been extensively revised to allow for IFRS 9 and IFRS 15 becoming the main examinable standards on financial instruments and revenue respectively in the 2019 Advanced Level syllabus We have worked backwards from the model answers to all Advanced Level past papers Mock exams and Question Bank questions to summarise approximately 75 highly examinable financial reporting areas into sets of key mark scoring points ideal to prevent you dropping easy marks by forgetting basic points and also helpful when attacking harder parts of the questions In addition it is vital to revise brought forward knowledge from the Professional Level paper in Financial Accounting and Reporting FAR as part of your preparations for the Advanced Level examinations in many Corporate Reporting examinations brought forward FAR knowledge is worth at least as many marks as the new Advanced Level FR topics Therefore the book also includes key model answer points from our review of all FAR past papers Mock exams and Question Bank questions to provide useful reminders examiner feedback is often that the brought forward knowledge of candidates is weak losing many potentially easy marks All content is organised in a sensible alphabetical format so that you can very quickly find the content that you need This organisation is more efficient than organisation by Study Manual chapter and should save you time in finding the information you require just head to the D section for Deferred Tax rather than having to remember to look in chapter 22 of the Study Manual The book has been developed by the same authors behind our very successful BPT Exam Room Notes and SBM Exam Room Notes books and is based on our trademark style of simple clear and succinct explanations of syllabus content with a focus on what you really need to do to get the marks as quickly as possible Important notice this set of Exam Room Notes has been designed as a quick reference resource to remind you of content that you should already have studied in detail based on the ICAEW Study Manual and your tuition provider's notes You must already have studied the Advanced Level syllabus in detail before using this book the book is in no way designed to replace the Study Manual as a learning resource If you have invested insufficient time in learning the syllabus content then our Exam Room Notes will not be comprehensible or useful as the book only provides reminders regarding material you must already have studied Look out for our other Advanced Level Exam Room Notes publications Strategic
