

## 7-18c: ICS B Class Activity Guide

---

### Class Activity

For this activity, this video explains the video: <https://www.youtube.com/watch?v=30mXa3bHw0o>

Students study following operations while watching the video. I'll give a few minutes for reflections about the video. Anytime, students can go back through video watching. You will discuss in class following the video and reflections.

1. What information was given to participants prior to the start?
2. What information was given to participants prior to the start?
3. What did you expect to happen in the participants' behavior if informed someone was given?

Afterward, students independently discuss and report the operations and what they learned about video. They can be given a few minutes to do this at the end of the video.

---

### End The Day

For this activity, I'll give students a few minutes to discuss what they learned about the video.

Students are independent in the ICS. After a few minutes, you can discuss the video and what they learned about the video.
