

# Introduction of Decimals

Help students understand that this is called a flat and is worth one whole.

This figure is called a rod and is worth one-tenth or 0.1. It is called one-tenth, because it is one out of ten that make up one whole.

This is called one cent and is worth one-hundredth or 0.01. It is called one-hundredth, because it is one out of one hundred that make up one whole.

Students need to understand the decimal side of place value. Spend a little bit writing on your white board or chalk board about place value.
