These mark schemes are published as an aid to teachers and students, to indicate the requirements of the examination. They show the basis on which Examiners were initially instructed to award marks. They do not outline the details of the discussions that took place at the Examiners' meeting before marking began. Any subsequent changes to the mark scheme that result from these discussions will be reported in the published Report on the Examination.

All Examiners are instructed that alternative correct answers and unexpected approaches to 'problematic' items must be given marks that fairly reflect the relevant knowledge and skills demonstrated.

Mark schemes must be read in conjunction with the question papers and the Report on the Examination.

- CIE will not enter into discussions or correspondence in connection with these mark schemes.

CIE is publishing the mark schemes for the June 2004 question papers for most IGCSE and IGCSE Advanced Level syllabuses.
