Your KUBOTA Dealer is interested in you and your new tractor. Your dealer is a skilled and knowledgeable professional. He has the know-how to assure that you will receive the most value from your tractor and implements.

Read this manual carefully. The manual describes the correct operating procedures for all the various tractor components and outlines all required service procedures. Upon reading the manual, you will discover that you can do most of the required servicing yourself. If you need assistance with servicing, or if you need parts see your KUBOTA Dealer. He is there to serve you.

When ordering parts, be prepared to give the dealer both the engine and tractor serial numbers.

The tractor serial number is located on the right side of the transmission case. The engine serial number is stamped on an unpainted plate on top of the fuel injection pump. The fuel injection pump is located on the right hand side of the engine.

Locate the serial numbers now and record them in the spaces provided below.

Before using implements not sold by KUBOTA DISTRIBUTOR, contact your nearest dealer, regarding safety in its application.
