MAIN IDEA

Plants have many different parts. They have roots. The roots grow into the ground and help keep the plant from blowing away. They also suck up water from the soil for the plant. Plants have stems too. The stems have leaves attached to them. The leaves catch sunlight and turn it into food for the plant.

The main idea is:

- a. Plants use sunlight for food.
- b. The roots of a plant suck up water from the soil.
- c. Plants have many different parts like roots, stems, and leaves.

Studies John R. Hayes, Richard E. Young, Michele L. Matchett, Maggie McCaffrey, Cynthia Cochran, 2020-10-07 For the most part those who teach writing and administer writing programs do not conduct research on writing Perhaps more significantly they do not often read the research done by others because effective reading of articles on empirical research requires special knowledge and abilities By and large those responsible for maintaining and improving writing instruction cannot without further training access work that could help them carry out their responsibilities more effectively This book is designed as a text in graduate programs that offer instruction in rhetoric and composition Its primary educational purposes are to provide models and critical methods designed to improve the reading of scientific discourse to provide models of effective research designs and projects appropriate to those learning to do empirical research in rhetoric Aiming to cultivate new attitudes toward empirical research this volume encourages an appreciation of the rhetorical tradition that informs the production and critical reading of empirical studies The book should also reinforce a slowly growing realization in English studies that empirical methods are not inherently alien to the humanities rather that methods extend the power of humanist researchers trying to solve the problems of their discipline **Everyday Comprehension Intervention Activities Grade 3 with CD** Catherine Goodridge, 2009 Instant 5 day units build comprehension strategies Includes 1 Book and 1 CD ROM
