Revising Mrs. Robinson Suzanna Mathews,2016-06-23 SEXUALITY RELATIONSHIPS In this modern era of dating opportunities abound for older women and younger men to find each other But those women dating younger men must be proactive about managing the doubt filled self talk and the outside commentary that could derail their romance Revising Mrs Robinson offers an examination of the personal and social responses to relationships between older women and younger men

Author Suzanna Mathews explores the term cougar as a cultural phenomenon and considers what draws cougars and cubs together. She also provides advice for managing the unique challenges of an intergenerational relationship. Most of all, Mathews tells middle-aged women how to be honest with themselves and feel empowered to pursue whatever relationship they choose regardless of age difference and armed for the cultural critique that often accompanies any nontraditional relationship. This practical guide seeks to assist women involved with or interested in relationships with younger men presenting methods for dealing with both external and internal obstacles. Girls Gone Skank Patrice A.

Oppliger, 2015-02-18 Instead of advancing women's social and professional empowerment, popular culture trends appear to be backsliding into the blatant sexual exploitation of women and girls at younger and younger ages. This study investigates the effects of mass marketed sexual images and cultural trends on the behaviors and attitudes of young girls and describes many ways in which young girls are increasingly taught to go to outrageous lengths in seeking male attention. Topics include the powerful effects of cultural phenomena such as revealing fashions, plastic surgery, and beauty pageants in influencing teen and preteen girls to willingly participate in and promote their own sexualization. These chapters also explore other cultural factors contributing to this early sexualization of young girls including absentee parenting and material overindulgence. Later chapters focus on the sexual representations of females in the mass entertainment media focusing specifically on how popular magazines, television programs, films, and the Internet prey upon and promote and reinforce young girls' physical and sexual insecurities. **How to Be a Bad Bitch** Amber Rose, 2015-10-27 An edgy yet accessible bad bitch guide to life, love, and success from Amber Rose, renowned model, entrepreneur, and pop culture personality. Mothers, Sex, And Sexuality
 Michelle Walks, Joani Mortenson, Holly Zwalf, 2020-06-01 Mothers Sex and Sexuality talks about things not normally dared spoken out loud the interconnectedness and conflict between our parental and sexual selves the taboo of the sexual mother and why it matters so much to shatter it What is it about the sexual mother that is incompatible and at times even disturbing Why are we threatened by maternal sexuality And what does this tell us about the structures of gender and power that govern our bodies Mothers Sex and Sexuality presents a rigorous academic analysis of the myriad ways in which the sexual maternal divide affects women birthing people and those of us who assume or are ascribed the title mother We examine the way we as mothers talk to our daughters about sex the way we talk about sex in a cultural context and the deafening silence around sex in a medical system that overlooks maternal sexuality We return repeatedly to the impact of both Christianity and Hinduism on the mother as someone to be revered but tightly controlled We embrace the lost eroticism of mothering and hail breastfeeding as a sexual maternal practice arguing for a new broader feminist understanding of sexuality We discuss the way fat mothers destabilise the heteronormative maternal model the way kinky queers are reconfiguring the sexual maternal divide through erotic role play and we explore the strange intense and romantic domestic relationship that springs up between mothers and nannies two heterosexual women trapped together in a homoerotic triangulation of need and desire In a titillating climax we revel in the sexual maternal as embodied through performance art poetry installations and comedy disrupting queer readings of bodies as we are invited to both fuck and fuck with the maternal This book boldly provides both a challenge to the patriarchal constraints of motherhood and a racy road map escape route out of the sexual maternal dichotomy

Diffraction Reading Kai Merten, 2021-05-27 Putting the New Materialist figure of diffraction to use in a set of readings in which cultural texts are materially read against their contents and their themes against their readers or against other texts this volume proposes a critical intervention into the practice of reading itself In this book reading and reading methodology are probed for their materiality and re considered as being inevitably suspended between or diffracted with both matter and discourse The history of literary and cultural reading including poststructuralism and critical theory is revisited in a new light and opened up for a future in which the world and reading are no longer regarded as conveniently separate spheres but recognized as deeply entangled and intertwined *Diffraction Reading* ultimately represents a new reading of reading itself firstly by critiquing the distanced perspective of critical paradigms such as translation and intertextuality in which texts encountered processed or otherwise subdued secondly showing how all literary and cultural readings represent different agential cuts in the world text reader constellation which is always both discursive and material and thirdly the volume materializes dynamizes and politicizes the activity of reading by drawing attention to reading s intervention in and co creation of the world in which we live
