

NEW FOR 2011

MUSTANG

III, IV AND V AMPLIFIERS

Mustang III, IV and V amplifiers are packed with 100 amp presets derived from 12 different amp models that deliver tones from vintage Fender sparkle to outrageous modern metal distortion. A huge bank of 37 effects are all easily and instantly accessed.

The Mustang III, IV and V amplifiers are equipped with 12" Celestion® speakers that sound great and pump serious volume. Each is designed for rehearsing, jamming and gigging. The 1/8" headphone jack doubles as speaker-emulated line out. Further, connect Mustang amps to your computer with free Fender® FUSE™ software. Open up a world of possibilities, including on-screen parameter control, deep editing, additional effects, unlimited preset storage, online preset swapping with the Fender FUSE community, and free Fender artist presets. Mustang III, IV and V include programmable footswitches. A two-button footswitch is included with Mustang III. A four-button model is included with Mustang IV and V Head and optional on Mustang III. You can even connect the four- and two-button footswitches for six-button performance!

Sleek and modern Fender® styling provides a look that's as desirable as the sound. Mustang has Fender's classic silver grille cloth, and is covered in tough, great-looking "carbon tweed" black textured vinyl.

MUSTANG III

100-watt open-back combo with a 12" Celestion® speaker and a two-button footswitch
