Merritt,2017-01-30 Devils and Deviants takes up the question of the impact of religious schism on the composition of 1 and 2 John After decades attempting to reconstruct the beliefs of the schismatics referenced briefly in 1 John Johannine scholars have largely rejected the notion that such a reconstruction can in fact be accomplished In addition there has been a notable move by some to interpret 1 and 2 John non polemically arguing that the schism has little or no bearing on the composition of these epistles and our ability to interpret them In this volume Merritt turns to the anthropology and sociology of religious schism to reconstruct the processes by which groups separate themselves from one another He then applies that model as a heuristic device in reading 1 and 2 John arguing in the process that while the beliefs of the schismatics cannot be reconstructed with any accuracy the schism has indeed had a profound impact on the Johannine community and 1 and 2 John **Official Gazette of the United States Patent and Trademark Office** ,1997 **Proceedings** ,1995 Proceedings of the January 1995 workshop containing the keynote session open forums and sessions on parallel algorithms load balancing modeling software environments parallel architectures linear algebra and various distributed database systems Open forums offer papers on topics such as di
