The Flavor of Wisconsin Harva Hachten, Terese Allen, 2013-09-03 The Wisconsin Historical Society published Harva Hachten's *The Flavor of Wisconsin* in 1981. It immediately became an invaluable resource on Wisconsin foods and foodways. This updated and expanded edition explores the multitude of changes in the food culture since the 1980s. It will find new audiences while continuing to delight the book's many fans. And it will stand as a legacy to author Harva Hachten who was at work on the revised edition at the time of her death in April 2006. While in many ways the first edition of *The Flavor of Wisconsin* has stood the test of time very well, food-related culture and business have changed immensely in the twenty-five years since its publication. Well-known regional food expert and author Terese Allen examines aspects of food cooking and eating that have changed or emerged since the first edition, including the explosion of farmers markets, organic farming, and sustainability, the slow food movement, artisanal breads, dairy, herb growers, and the like, and how relatively recent immigrants have contributed to Wisconsin's remarkably rich food scene.

Lunkers, Keepers, and Ones that Got Away Jerry Apps, 2025-04-02 Stories of fishing with family and friends by beloved author Jerry Apps. From his first experiences going fishing with his pa as a boy, Jerry Apps was hooked. Eighty-some years later, Apps reflects on a lifetime of fishing and the memories and lessons hauled in along the way. As he recounts the simple pleasures of casting a line from shore on a warm summer evening or reeling in a lunker on opening day of trout season, he reminds us of the values fishing can teach people of all ages: persistence, resourcefulness, and the importance of caring for our natural world. Along with his best-loved fish tales, Apps includes fishing photos from the family album and favorite angling locales, lingo, bait, and gear. He draws on interviews with fellow fishermen and women, his own journal entries recorded over decades, and his popular newspaper column *Outdoor Notebook*. And since it's a tradition among fishing folks to pass along tales told by others, he shares stories that have come his way from extended family and friends, some of them funny, some poignant, many embellished, and all of them keepers. Humorous pen and ink illustrations made by

artist Sid Boyum to commemorate the annual fishing season opener add charm to this delightful volume In Lunkers Keepers and Ones that Got Away Apps captures the exciting heartwarming and nostalgia inducing experiences that fishing brings to avid and casual anglers alike **We Eat What?** Jonathan Deutsch,2018-05-25 This entertaining and informative encyclopedia examines American regional foods using cuisine as an engaging lens through which readers can deepen their study of American geography in addition to their understanding of America s collective cultures Many of the foods we eat every day are unique to the regions of the United States in which we live New Englanders enjoy coffee milk and whoopie pies while Mid Westerners indulge in deep dish pizza and Cincinnati chili Some dishes popular in one region may even be unheard of in another region This fascinating encyclopedia examines over 100 foods that are unique to the United States as well as dishes found only in specific American regions and individual states Written by an established food scholar We Eat What A Cultural Encyclopedia of Bizarre and Strange Foods in the United States covers unusual regional foods and dishes such as hoppin Johns hush puppies shoofly pie and turducken Readers will get the inside scoop on each food s origins and history details on how each food is prepared and eaten and insights into why and how each food is celebrated in American culture In addition readers can follow the recipes in the book s recipe appendix to test out some of the dishes for themselves Appropriate for lay readers as well as high school students and undergraduates this work is engagingly written and can be used to learn more about United States geography **Practical Recipes** ,1911 **Recipes from Wisconsin with Love** Laurie Gluesing,Debra Gluesing,1984 The first church in Chilton was built by the women of the area When the local men offered to put new siding on the church if the women would quit holding temperance meetings the women refused Instead they held bazaars and sold their backed goods raising money to side the church themselves Overnite rolls were probably a big success **Dishing Up® Minnesota** Teresa Marrone,2025-04-08 These 150 mouthwatering recipes contributed by some of Minnesota s best chefs farmers and foragers and accompanied by gorgeous photography celebrate the state s outstanding and unique cuisine You ll find dishes featuring fish from the lakes as well as morels and chanterelles wild blueberries wild game beef and bison orchard fruits berries dairy products and much more There are recipes inspired by German Scandinavian East Asian and African traditions as well as dishes from fairs and food trucks There s something here for everyone from Carrot Risotto and Dry Fried Sugar Snap Peas to North Shore Fish Cakes Wild Cherry Jelly Northland Venison Burger with Wild Rice Bison Bacon Busy Day Pho Egg Coffee Gravlax Varmland Potato Sausage Hmong Chicken Larb Tater Tot Nachos Thai Peanut Caramel Popcorn Honey Pecan Pie Classic Pound Cake with Cardamom and Apple Dessert Hotdish **Wisconsin Cook Book** Karin Marple Wade,1998 Favorite Old World regional and contemporary recipes from the best cooks throughout Wisconsin Delicious recipes for Wisconsin s bountiful fruit fresh produce wild game fish and fowl Plus fascinating historical and state trivia **Uniquely Wisconsin** Christy Steele,2004 Provides an overview of various aspects of Wisconsin that make it a unique state including its people land government culture economy and attractions **Good Housekeeping** ,1901
