Energy Research Abstracts, 1984 *Instrucciones y modelos par la contabilidad fiscal* Venezuela. Ministerio de Hacienda, 1919 **Selected Publications Available Through Your Local United States Department of Commerce Field Office** United States. Department of Commerce, 1961 *Rebellion Now and Forever* Terry Rugeley, 2009-06-19 This book explores the origins process and consequences of forty years of nearly continual political violence in southeastern Mexico Rather than recounting the well worn narrative of the Caste War it focuses instead on how four decades of violence helped shape social and political institutions of the Mexican southeast *Rebellion Now and Forever* looks at Yucatán's famous Caste War from the perspective of the vast majority of Hispanics and Maya peasants who did not join in the great ethnic rebellion of 1847 It shows how the history of nonrebel territory was as dramatic and as violent as the front lines of the Caste War and of greater significance for the larger evolution of Mexican society The work explores political violence not merely as a method and process but also as a mold of subsequent institutions and practices *A History of the Apocalypse* Catalin Negru, 2023-01-20 Religion For thousands of years this thing has dictated which people should live and which people should die what shape our buildings should have or what colors our garments should contain what food people should eat or what words people should speak If religion is the opium of the masses then beliefs about the end of the world are like overdoses People touched by such beliefs no longer rely on a hidden personal and intimate god contemplated upon from the safe distance of the beating human heart They live with the promise of divine intervention at a grand scale on the current coordinates of space and time This can be an exceptional motivator and a game changer in terms of civil obedience both at an individual and collective level In the name of an immediate and palpable deity people can commit shocking cruelties However such belief can also account for some of the most exceptional social developments in human history *American State Papers* United States.
