Mbose Question Papers:

Teacher Education in India Lokanath Mishra, 2017-05-11 This book derives from an ICSSR New Delhi sponsored National seminar on teacher education issues and concerns with special reference to North East India organised by the Department of Education at Mizoram University Aizawl India The entire fabric of any modern and progressive country is built upon the quality dedication competency and commitment of teachers A great responsibility lies with teachers as a generation of young people s education is dependent on teachers ability to teach well The teacher education system is therefore an important vehicle to improve the quality of education which means that the revitalisation and strengthening of the teacher education system is a powerful way to raise the standard of education in a country This collection of papers analyses this teacher education system and the processes of improvement that are taking place
