

ELEMENTARY LIBRARY LESSON PLAN # 2-1.4a

National Literacy Standard	L.4 The student who is information literate accesses information efficiently and effectively by identifying a variety of potential sources of information.	Second
Virginia SOL		
Library Objective	Students will identify the parts of a book.	
Title	<i>"Be Booksmart"</i>	
Resources	Teacher-made cards (that name the parts of books), definition sheet (example provided)	
Introduction	This lesson can serve as a culminating lesson to review different parts of books.	
Vocabulary		
Activity	Provide student pairs with cards that list the nine parts of books named above. It is helpful to use different colored paper; make all of the <i>Call Number</i> cards pink, all of the <i>Glossary</i> cards blue, etc. This will allow you to assess student response immediately. As you read a definition, the student pairs will decide on the correct response and hold up the appropriate card. Variations on the definition or other identification clues will allow you to go through the cards several times. Note: put bee stickers on your student response cards and call the lesson <i>"Bee Booksmart!"</i>	
Closure	Assess with observation of student response.
