for the better but he's afraid of what his friends including his apprentice Luna will think of his past But if they're going to put themselves at risk they need to know exactly what kind of man they're fighting for **Hidden** Benedict Jacka, 2014-09-02

With his talent for divining the future Alex Verus should have foreseen his friends' reactions to the revelations about his previous life Anne Walker no longer trusts him and has also cut all ties with the mage community after getting kicked out of the apprentice program As a favor to Luna Alex's own apprentice and Anne's best friend he checks in on her only to be told to leave her alone Then Anne gets kidnapped The Council Keepers of the Order of the Star believe Dark mages from her past may be involved Working with the Keepers Alex and Luna discover that Anne has been taken into the shadow realm of Sagash her former Dark mage mentor and they must find a way to rescue her But another shadow from the past has resurfaced Alex's former master may be back in London and Alex has no idea what his agenda is **Fallen** Benedict Jacka, 2019-09-24

For Mage Alex Verus everything is on the line in the tenth urban fantasy novel from the national bestselling author of *Marked* Once Alex Verus was a diviner trying to live quietly under the radar Now he's a member of the Light Council who's found success friends and love But it's come with a price the Council is investigating him and if they find out the truth he'll lose everything Meanwhile Alex's old master Richard Drakh is waging a war against the Council and he's preparing a move that will bring Alex and the life mage Anne under his control Caught between Richard and the Council Alex's time is running out To protect those he cares for Alex will have to become something different Something darker *Veiled* Benedict Jacka, 2015-08-04

National bestselling author Benedict Jacka returns to the world of Alex Verus I thought I'd escaped my past But my old master is back and making a new play for power And he's not the only one targeting me Diviner Alex Verus and the Council that governs the magical community have never gotten along But with his former teacher back in Britain Alex is in desperate need of allies and he'll do whatever it takes to get them even if it means accepting a job with the Keepers enforcing magical law Alex forms an uneasy alliance with his new partner Caldera but his attempt at legitimacy quickly turns lethal when a mission puts him in possession of an item that factions both inside and outside of the Council would kill to get their hands on Once again caught in the middle of a deadly conflict Alex will need all his abilities to figure out who his friends are especially when enemies are hiding on all sides **Forged** Benedict Jacka, 2020-11-24

Alex Verus faces his dark side in this return to the bestselling urban fantasy series about a London-based mage To protect his friends Mage Alex Verus has had to change and embrace his dark side But the life mage Anne has changed too and made a bond with a dangerous power She's going after everyone she's got a grudge against and it's a long list In the meantime Alex has to deal with his arch enemy Levistus The Council's death squads are hunting Alex as well as Anne and the only way for Alex to stop them is to end his long war with Levistus and the Council by whatever means necessary It will take everything Alex has to stay a step ahead of the Council and stop Anne from letting the world burn Cursed Benedict Jacka, 2012-05-29

Dark rituals drag London mage Alex Verus into the center of a conspiracy in this thrilling novel from the national bestselling
