Feminizing Men A Guide For Males To Achieve Maximum Feminization:

Feminizing Men - a Guide for Males to Achieve Maximum Feminization Barbara Deloto,Thomas Newgen,2014-10-29 Do you want to feminize a male or you as a male want or have been told to become feminized Feminization 1 To give a feminine appearance or character to 2 To cause a male to assume feminine characteristics This is not for those who wish to permanently change their gender but rather for those who wish to feminize temporarily though sometimes repeatedly and regularly in order to proficiently crossdress as a woman This feminization guide is for a male by gender who may or may not be a real man by some opinions but nonetheless a male who has chosen or has been told to or is being coerced into becoming feminine in appearance and character This guide is to be given to those who have been tasked with becoming a feminized male as part of a process to feminize them or purchased for use by males who wish to feminize themselves It doesn't have any magic potions or formulas special makeup or fancy tools use any drugs or surgery It does cover all the aspects of eliminating the man markers that set males aside from women and make a male less feminine than they could ultimately be It will demasculinize anything that may have had a masculine overtone with the male It will also aid the feminized male to feel more sensual and sexy in a feminine role The guide is short about 15 000 words and around sixty pages but covers eliminating the things that keep a male from becoming as fully feminized as much as their male body and characteristics allow After the male has read this acted upon this information fully and practiced he will be the best feminized male he can be He will reach crossdressing perfection as a male to female MTF cross dresser He will have the routines of maintenance and upkeep of the feminized male body which will keep him ready and most likely anxious to fairly quickly crossdress at the request of their wife mistress or whim of his own Whether the reason be from femdom a wife led relationship female led relationship cuckolding cuckoldry a hot wife male chastity forced crossdressing forced chastity female domination submissive training sissy training or purely their own desire to become feminine a diligent male student who incorporates the information in this guide with passion and drive will become the perfect crossdressing male as fully feminized as possible Upon following the elements in this guide the feminized male will be able to proudly display how feminine he has become to anyone he or the one who coerced him choose to Should this be a singular undertaking the individual will be able to see and feel the difference in the degree of feminization they have achieved after practicing and perfecting the elements and thus bring greater pleasure and satisfaction to the resulting feminization This will be time consuming and will require dedication and diligence in order for a male to feminize to his best If you are purchasing this for yourself or someone else beware of that in order to allow the necessary time and resources Look inside now Buy yourself a copy or give one to a male you want to feminize It is a small but valuable investment in a male's journey toward maximum feminization

Male Ferminizing Robert Walsh, 2023-01-25 There is a growing group of people who think that masculinity can be feminized and that the key is to provide men with the resources and chances to be their best selves rather than removing what makes them special If there was a way to redefine masculinity and make it more inclusive would that change the way it has historically been viewed as something to be revered and respected This is the main goal of feminizing men We think that by accepting men's feminine aspects masculinity may be improved By doing this we can assist them in developing into more empathetic caring and understanding people Feminizing Men aims to empower men by providing them with the resources they require to achieve their full potential We want to support them in becoming the pioneers and leaders this world needs By doing this we hope to contribute to the development of a more inclusive society where everyone can live in peace and with respect So what does feminizing men entail Simply defined we are an organization that promotes male feminism We provide lectures and training sessions that show guys how to accept their femininity and develop greater self awareness For individuals who are interested in learning more about the feminine side of males we also provide guidance and tools New Webster's
