Manual Focus Mktdci

Tony Bramley

Manual Focus Mkt dci:

A Photographer's Guide to Focus and Autofocus Alan Hess, 2016-02-17 Autofocus changed the way photos are taken making it easier to capture and keep the subject in sharp focus Since autofocus was first introduced it has become much more complicated offering different focus modes focus types and focus points What started out as a way to simplify the photo making process has turned into a complicated endeavor with numerous choices and settings A Photographer's Guide to Focus and Autofocus From Snapshots to Great Shots is here to answer all your questions about the focusing system in today's cameras and their various autofocus modes Photographer Alan Hess covers the simple basics of focus manual focus versus autofocus the best focus modes to use and how focus works in both DSLRs and mirrorless cameras Then he discusses more advanced topics including autofocus sensor types back button autofocus and focus for DSLR video There is much more to autofocus and focus in general than just pushing the shutter release button and hoping the image is sharp and in focus With this book you'll learn how to get the right focus in your images no matter what the occasion Follow along with your friendly and knowledgeable guide and you will Learn the top ten things to know about focus including how to use the focus controls on the camera how to pick the autofocus point and when to use pre focus in your images Address common autofocus issues such as dealing with low contrast or low light or shooting through obstacles like glass or a fence Develop troubleshooting techniques for what to do when the autofocus doesn't work properly Work with both manual focus and autofocus and learn tricks to achieve better focus in video And once you've got the shot show it off Join the book's Flickr group to share your photos and tips at flickr.com/groups/focusandautofocusfromsnapshotstogreatshots

Mirrorless and Manual Focus Tony Bramley, 2019-08-18 Take control of your photography Fed up with inconsistent pictures from your camera Disappointed with your photos Getting lost in encyclopedic photography books full of technical jargon You may want to excel more in your photography or just impress your friends and family with your photos Light Academy Photo Companion Guides help you to become a better photographer simply I began training in 2013 since then students have commented that many books confuse them Technical information becomes overwhelming and halts the learning process The Light Academy Photo Companion Guides are short helpful and easy to follow Some also contain a field guide at the back Keep them with you on your tablet or phone or by your workstation I have kept them at around 30 pages to keep the learning process manageable Choose the areas of photography you want to expand your skill on Buy what you need at prices that will not break the bank About the Author Tony Bramley FRPS Tony Bramley has been a professional photographer for over twenty years His own photography passion started back in the 1980s as an amateur at his local camera club He has shot from 35mm medium format to DSLR and has been using mirrorless since 2013 Professionally he has shot portraiture weddings commercial and PR photography His personal photography revolves around abstract street social documentary landscape and architecture subjects In December 2015 he received the prestigious title of Fellow of the Royal Photographic Society In 2016 The Bill Wisden MBE

HonFRPS Fellowship of the Year Award followed Now semi retired he concentrates on training photographer groups and on a one to one basis His company The Light Academy organises workshops in East Anglia and the London area He is still active in club photography as well as travelling for talks and judging Sign up for training workshops at [www lightacademy co uk](http://www.lightacademy.co.uk)
