kritisch zu bereichern The Holocaust: A Guide to Europe's Sites, Memorials and Museums Rosie Whitehouse, 2024-10-04
New from Bradt is The Holocaust Europe's Sites Museums and Memorials a unique travel guidebook to European locations that tell the story of the greatest crime ever perpetrated the Nazi genocide of 6 million Jews and other persecuted groups In recent years countries once reluctant to delve into the dark corners of their past have begun to document the history of the Holocaust and its aftermath Europe has many new ground breaking museums and memorials that tell us as much about the present as they do the past Chapters are dedicated to each country or region occupied by Nazi Germany plus nations like the UK and neutral Sweden which played a vital role both before and after the Holocaust Organised around city hubs in each country this Bradt guide helps visitors explore numerous destinations whether infamous well known or comparatively unexpected This is much much more than a guide to notorious sites such as Auschwitz Birkenau Buchenwald or Dachau You can take a walking tour in Vienna to view the new wall of names Or visit the Memorial des Martyrs de la Deportation in Paris Anne Frank House in Amsterdam or the Jewish Museum in Ferrara And you can learn how babies were smuggled out of the Kovno ghetto in potato sacks in Lithuania or read about Bavaria's Kloster Indersdorf a remarkable children's home that cared for survivors Written by a journalist and travel writer specialising in Jewish history Bradt's The Holocaust Europe's Sites Museums and Memorials provides the traveller with not only a list of must see sites in each country but also a comprehensive list of organisations that run tours commemorations and volunteer schemes Suggestions of where to eat and stay including Kosher restaurants and hotels ease the traveller's way as do descriptions of local Jewish organisations and tips on how to pace potentially difficult journeys into Europe's dark past Bradt's The Holocaust Europe's Sites Museums and Memorials is the first comprehensive travel guide to the genocide and the first to help the traveller understand the Holocaust by seeing the places where it unfurled Cultural Diplomacy and International Cultural Relations: Volume I Oliver

Hoerber, Gabriel Weber, Ignazio Cabras, 2022-02-27 The Routledge Handbook of European Integrations fills a significant gap

in the European studies literature by providing crucial and groundbreaking coverage of several key areas that are usually neglected or excluded in European integration collections Whilst still examining the largest and most influential institutions bodies and highly funded policy areas as acknowledged dominant topics in European studies it crucially does so with much greater balance by devoting equal billing to areas such as culture in European integration or new technologies and their impact on the EU Organised around three main sections culture technology and tangibles the book offers an authoritative encyclopaedia to alternative areas in European integration from media football Erasmus and tourism to transport space AI and energy retains coverage of the dominant topics in European studies such as the Eurozone the Common Internal Market or European law but in balance with other areas of interest and provides an essential companion to existing scholarship in European studies The Routledge Handbook of European Integrations is essential reading and an authoritative reference for scholars students researchers and practitioners involved in and actively concerned about research in the study of European integration studies The Open Access version of Chapter 14 in this book available at <http://www.taylorfrancis.com> has been made available under a Creative Commons Attribution Non Commercial No Derivatives 4.0 license
