Miss Lacey's Last Fling (A Regency Romance) Candice Hern, 2011-07-27 Readers who enjoy the traditional Regency Romances of Georgette Heyer, Barbara Metzger, and Carla Kelly will enjoy this witty award-winning Regency romp by New York Times bestselling author Candice Hern. Miss Rosalind Lacey has spent all her 26 years in the country quietly managing the lives of her widowed father and five younger siblings. When she learns she has contracted the illness that killed her mother, she decides to spend her last few months doing all the things she's never had the time or opportunity to experience. With the help of her worldly and notorious aunt, the simple country miss is transformed into a dashing Town sophisticate who cuts a wide and wild swath through London Society. Since she won't be around to face the consequences of her behavior, Miss Lacey does and says exactly what she pleases, even becoming involved with the infamous rake Max Davenant. It is an exciting and heady time for the one-time country mouse until she receives a fateful letter bearing news that turns her glittering new world upside down. The ballrooms and gaiety of the London Season form a backdrop for this sparkling tale of a young woman who hasn't lived enough and a man who's lived too much. Candice Hern never fails to deliver a well-written Regency with quirky fun characters and a romance that feels genuine to the core. The Romance Reader. Yellow Dog Martin Amis,2014-09-17 A brilliant painful dazzling and funny as hell novel about a family man who is attacked in a garden and suddenly becomes an anti husband and anti father from one of the greatest novelists of his generation TIME Amis is a stone solid genius a dazzling star of wit and insight The Wall Street Journal When dream husband Xan Meo is vengefully assaulted in the garden of a London pub he suffers head injury and personality change He submits to an alien moral system one among many to be found in these pages We are introduced to the inverted worlds of the yellow journalist Clint Smoker the high priest of hardmen Joseph Andrews and the porno tycoon Cora Susan Meanwhile we explore the entanglements of Henry England his incapacitated wife Pamela his Chinese mistress He Zhezun his fifteen year old daughter Victoria the victim of a filmed intrusion that rivets the world because she is the future Queen of England and her father Henry IX is its King The connections between these characters provide the pattern and drive of Yellow Dog If in the 21st century the moral reality is changing then the novel is changing too whether it likes it or not Yellow Dog is a model of how the novel or more particularly the comic novel can respond to this transformation But Martin Amis is also concerned here with what is changeless and perhaps unchangeable Patriarchy and the entire edifice of masculinity the enormous category error of violence arising between man and man the tortuous alliances between men and women and the vanished dream probably always an illusion but now a clear delusion that we can protect our future and our progeny *Other*
