Miroslav Nožina,2004 The Four Sonyas Vladimír Páral,1993 Translated from the Czech by William Harkins Tells the story of Sonya whose only possession is a fairy tale dream that someday a prince will come and rescue her from drudgery The princes do come but in the form of frogs who are out to trick and deceive her A stunning novel from Czechoslovakia s greatest stylist **Stealing Destiny (Immortal Obsession Book 1** J.D. Selmser, It took one kiss for Destiny to steal his heart and Damien lived his life for another one from the woman he loved If he only knew that that one kiss would lead to his death and eternal damnation would he still have kissed her In one mere second of time Damien loses his life because of a supernatural twist On a stormy night in the back roads of nowhere his car careens out of control and into a field claiming his life Suddenly everything he ever thought about heaven hell and angels takes on a whole new meaning as he struggles to get his life back Falling from heaven Zahir makes the ultimate sacrifice but who is to benefit from it When Zahir stole Damien s future his destiny and his body he decides it s time to steal it back But then he is offered a choice between the life he was destined to live and the one Death offers him putting him at a crossroad Damien wants to make the best choice he can so that he can carry out his plans to marry Destiny However what Damien fails to recognize is that getting his life back is going to take him into a whole new dimension of what the afterlife means In every lovers triangle there has to be someone who loses No romance ever truly sees the happily ever after One fell from heaven someone is headed for hell and Destiny is the prize When your heart and soul hang in the balance is there ever really any second chances
