Vincent,2025-07-10 It is now about three years since we added a new part to The Cutter s Practical Guide Systems in the form of a Work on ladies tailor made garments Not only has a large Edition been disposed of but a number of the styles which were then popular are

now out of date In preparing this new Edition a number of what are now regarded as old styles are deleted and the new and popular styles of the period take their place The Work is based on the Guide System and was originally prepared to meet a two fold want or demand an instructor and guide to the production of all the new and popular styles in tailor made garments and also the demand for such a work by the Practical Guide System The Work itself will bear testimony to its scope and the way in which every current as well as new style of Ladies Tailor made Garment is treated and illustrated Here we have the systems for producing the garments each illustrated by beautifully engraved diagrams and there is further the finished garments illustrated upon artistically engraved figures The Work thus presents a completeness which renders it an invaluable acquisition to the ladies cutter We doubt not but this new and latest Work will fully sustain the character we have already attained by the Works now being published at the TAILOR AND CUTTER Office
