## **Honey Whiskey A Bastards Mc Novel English Edition:**

*Lay It Down* Carina Adams, 2016-05-12 The Bastards MC Boxed Set 1 contains the first two books in the series *Always Been Mine* and *Honey Whiskey*. Come fall in love with a Bastard Josephine Walker. My carefully constructed picture perfect life is crumbling around me. For the first time in fifteen years I don't know who I want to be. I need to find me. I'm done playing it safe. Done caring what others think. I want wild and crazy. And as much as I try to ignore it, I want Matt to see me as more than just his best friend. Matty Murphy. The Bastards live in a world most don't understand. We follow our own rules, only accountable to each other, the innocents we protect, and the people we couldn't save. Each of us wears a mask, hiding behind a polite smile and a respectable job, covering the monsters inside. I made peace with who I was a long time ago. I have no regrets. Except one. Jo Walker. I'm not letting her go without a fight.

**Whiskey Tango** K L Ramsey, 2020-09-15 I grew up on the wrong side of the tracks and being stuck with a name like Whiskey was never easy, but none of that ever mattered much to me. Not until I met her. The kids used to call me white trash, WT for short, but I turned that nasty nickname into my fucking mantra after I joined the Air Force. My only regret was falling in with the wrong group of men. But that's how I met her, and I wouldn't trade what we had together for anything except maybe another chance. He worked for my father, and I was off-limits, but no one told my heart that. He left me, left us, on his last run to America, and I know he's not coming back. If he did, they would kill him, kill us both. I know what I have to do now, but it won't be easy. Whiskey deserves to know about his baby, and I'll be the one delivering the news to him, one way or another. Sometimes goodbye is more than just a second chance. Sometimes it becomes your entire future. Whiskey Tango is K L Ramsey's second book in the Royal Bastards MC series.

**Can't Fix Cupid** K L Ramsey, 2021-01-15 Marcos Diego was held against his will for over a year, and the only thing that kept him going were daily visits to his cell by Sister Valentina. She had come by the Camillo compound every day, offering him conversation, prayer, and even her shy smile when he told her a dirty joke to make her blush. She was beautiful, with her long dark hair and caramel-colored eyes that looked at him with such compassion, kindness, and dare he believe it, longing. She was only twenty, just a girl compared to his almost forty years, but when she looked at him the way she did, he wanted to do things with her that a man should never want to do with a nun. Valentina wasn't sure how she was ever going to escape her little village, but she had to. She had no choice since her father betrayed the Camillo family. They were one of the biggest crime families in the Guadalajara Syndicate, and her only way to safety was to pledge her undying love and life to a God who didn't care about her or her family. She said her vows, made promises she never intended on keeping, and then met him, Marcos Diego. He made her feel things that she had never felt for any man. Things that would get her kicked out of the nunnery, her only solace from the Camillo family. As a nun, she could hide in plain sight. If she was caught with Marcos, she'd be shunned, ousted from the order, and made to face the Camillo family on her own, but that was a chance she was willing to take if it meant finally being with him. *Can't Fix Cupid* is K L Ramsey's third book in the Royal Bastards MC series.
