Labour Relations (N6). , *Labour Relations N6 SB* ,2015 **N5 Labour Relations** ,2013 **N6 Labour Relations** ,2019 **Creative Labour Regulation** D. McCann,S. Lee,P. Belser,C. Fenwick,J. Howe,M. Luebker,2014-02-12 The volume is at the forefront of the academic and policy debates on effective labour regulation offering innovative approaches to research and policy It is an interdisciplinary response to the central challenges that face modern labour regulation and draws on contributions by leading experts in a range of disciplines **Staff Participation and Public Management Reform** D. Farnham,A. Hondegheem,S. Horton,2005-06-07 This book explores the role of civil servants and their trade unions in the public management reform process framing it in its economic social cultural and legal contexts Building on neo institutional and stakeholder theories the book shows how staff and their representative organisations have influenced the formulation and implementation of public management reforms in twelve OECD countries This study challenges top down elite theories that have dominated the existing literature explaining how staff participation practices both direct and indirect have impacted on the implementation of reforms in different ways in different countries The book concludes that variations in staff participation in the reform process depend upon institutional and political factors and the distribution of power in the employment relationship *Work Related Abstracts* ,1989 *Social Foundations of Markets, Money and Credit* Costas Lapavistas,2003-09-04 Where does the power of money come from Why is trust so important in financial operations How does the swapping of gifts differ from the exchange of commodities Where does self interest stop and communal solidarity start in capitalist economies These issues and many more are discussed in a rigorous yet readable manner in *Social Foundations of* *Indian National Bibliography* Bellary Shamanna Kesavan,1975 *Crisis and Restructuring in East Asia* S. Jeong,2004-07-20 This book criticizes the widespread view that the 1997 Asian crisis was due to crony capitalism and puts the blame instead on misguided liberalization It analyzes the case of Korea s business conglomerates the chaebol with particular attention to the car industry to show how liberalization contributed to the crisis even at the level of the firm It shows how those firms that had developed innovative capabilities survived the crisis much better than those that had merely expanded into markets opened up by liberalization *Trinity College Dublin, the First 400 Years* John Victor Luce,1992 The Chemistry of Change F. Dupuy,2001-12-05 Following on from his previous book *The Customer s Victory* Francois Dupuy here outlines how to manage a change process Using practical examples from new case studies and discussion of current theories of organisational change this book explains how true organisational change can be effected in both private businesses and public organisations With a strong pedagogical format case studies and a helpful glossary of terms this is an invaluable guide both for managers having to deal with change implementation and for students and researchers of change management **New Dialectics and Political Economy** R. Albritton,J. Simoulidis,2002-11-29 Many of the leading thinkers on dialectics in the Marxian tradition have collaborated here to put forward and debate challenging new perspectives on the

nature and importance of dialectics The issues dealt with range from the philosophical consideration of the precise nature of dialectical reasoning to dialectics and economic theory and to more concrete concerns such as how dialectics can help us think about globalization freedom inflation and subjectivity **South African national bibliography** ,1998 Classified list with author and title index **Labour Laws and Global Trade** Bob Hepple,2005-03-25 The focus of globalisation studies is on how global processes can be better regulated in order to deliver both economic growth and social justice Labour laws provide an excellent case study of the creation of a new framework to reconcile free trade and investment with social objectives This book written by a leading authority on international and comparative labour law provides a thoughtful and comprehensive analysis of the new methods of transnational labour regulation that are emerging in response to globalisation The author reassesses orthodox views from the viewpoint of a theory of comparative institutional advantage and suggests ways in which transnational regulation can be re invented in the new global economy This will be of interest to students of law human rights industrial relations globalisation international trade and development as well as policy makers in international and regional organisations governments employers bodies trade unions and NGOs **Ethnic Relations in Canada** Raymond Breton,2005-10-13 The introduction by Jeffrey Reitz focuses on the evolution of Breton s distinctive institutional framework which both extends and in some ways alters John Porter s classic analysis in The Vertical Mosaic Reitz shows how Breton s original concept of institutional completeness has been extended to provide a comprehensive framework for the institutional analysis of inter ethnic relations creating a unified theoretical structure that has reshaped the study of inter ethnic relations in Canada and points toward a future research agenda **Suid-Afrikaanse Hofverslae** ,2008
