the drama of fiction *The Master Plan* is at once horrifying transfixing and monumentally important to our comprehension of how something as unimaginable as the Holocaust could have progressed from fantasy to reality Pringle's engrossing book explores a little known corner of Nazi history the story of the Ahnenerbe rich in such bizarre characters ridiculous theories and colorful anecdotes Massively researched and engagingly written *The Daily Telegraph* *World Mission* Scott N. Callaham, Will Brooks, 2019-06-12 *World missions* needs a fully biblical ethos This is the contention of the editors of and contributors to *World Mission* a series of essays aimed at reforming popular approaches to missions In the first set of essays contributors develop a biblical theology of world missions from both the Old and New Testaments arguing that the theology of each must stand in the foreground of missions not recede into the background In the second they unfold the Great Commission in sequence detailing how it determines the biblical strategy of all mission enterprises Finally they treat current issues in world missions from the perspective of the sufficiency of Scripture Altogether this book aims to reform missions to be thoroughly not just foundationally biblical a needed correction even among the sincerest missionaries
