## Research Before Buying Refurbished Macbook Pro

It is not obvious that you will get the same macbook you want. The options are also limited, so researched carefully when making a decision.

## Check the Damage Before Buying:

When you grab the MacBook, check it properly and discover the damage.

## Check some functions of Macbook Before Buying:

You should check all the ports and see if they work properly or not.

## Check the year and processor of the Mac:

You need to check the manufacturing date of the MacBook, because sometimes the seller sells the old model just because they don't know it.

## Check The all Ports: Before Buying

You should check all the ports and see if they work properly or not.

## Check Warranty Before Buying Macbook Pro or Air

If you buy a used or refurbished MacBook Pro or Macbook Air, you must ensure that it comes with a warranty.
